

**Remarks**

Applicant thanks Examiner Barr for the careful examination of this application and clear explanation of the rejections. In response, application amends the drawing figure 1 with the prior art designation. A copy of the amended drawing figure 1 is attached with this paper. Also attached with this paper is the terminal disclaimer in compliance with 37 CFR 1.321(c) to overcome the rejections against claims 13 – 19.

Applicant respectfully submits that as amended, the application is in allowable form. Applicant respectfully request that the claims be timely passed to allowance.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Yingsheng Tung', with a long horizontal flourish extending to the right.
